AN UPDATE FROM *the Friends of the Dolores Public Library*

The Friends of the Dolores Public Library board met in November and decided to apply for Coronavirus Relief Funding through Montezuma County, which was available to businesses in the county. Rhoda Yeager, treasurer, submitted the application, and on December 7th we received an award for \$5,000.00. The funds will be used to purchase some much needed equipment for the library including three Dell Desktops to replace computers that are aged, two Lenova docking stations, one widescreen monitor, and an Adobe creative suite package.
